

77 Belgrave Street Cremorne NSW

2 1

More like a semi in layout and ambience, this character-filled Art Deco apartment is set on the ground floor of a charming 1920s block of four. Facing north, its beautifully presented interiors are graced with original period details and open out to a private entertainer's courtyard with convenient separate entry. Located on the fringe of cosmopolitan Neutral Bay village, it's a brief stroll to premier shopping, dining and entertainment with easy access to the CBD and North Sydney.
